

EDUCATION

Master of Landscape Architecture, Mississippi State University 2017
Department of Landscape Architecture

Master of Architecture, Clemson University 2003
College of Architecture, Art and Humanities

Bachelor of Science in Design, Clemson University 2001
College of Architecture, Art and Humanities

Associate of Applied Sciences in Architectural Technology 1998
State University of New York, Delhi

TEACHING

Professional

Mississippi State University, School of Architecture
Associate Professor of Architecture, July 2014 - Present (Tenured)
Assistant Professor of Architecture, July 2008 - 2014 (Tenure Track)

State University of New York at Delhi, Dept. of Architecture and
Building Science
Assistant Professor of Architecture, Coordinator of Design Studies (Tenure Track)
August 2006 - June 2008

PROFESSIONAL

Registration + Certification

Registered Architect, New York State
Granted by the New York State Board of Education, January 2009 - Present

LEED Green Associate
Granted by the Green Building Certification Institute, July 2013 - Present

NCARB Certified
Granted by the National Council of Architectural Registration Board, April 2009 - Present

TEACHING / RESEARCH AREAS

Level Pedagogy, Construction + Building Technology, Landscape + Site Planning, Integrated Design / Project Delivery Education, Adaptive Reuse in Design

PROFESSIONAL Experience

H. Herrmann resDesign, Starkville, Mississippi
Sole Practitioner, December 2006 - Present

Ike Kligerman Barkley Architects, P.C., New York, New York
Project Designer / Manager, February 2004 - January 2007

Lubrano Ciavarra Design LLC, New York, New York
Designer, September - December 2003

Enwright Associates, Greenville, South Carolina
Architecture Intern, May - August 2001 + 2002

The Bernier Carr Group, Watertown, New York
Architecture Intern, Summer 1998, 1999 + 2000, Surveyor Intern, Summer 1997, 1996, 1995

MEMBERSHIPS Selected

American Institute of Architects, Mississippi Chapter
Member, 2009 - present, Elected Board Member 2013-2015

Building Technology Educators' Society
Member 2013 - present, Elected Board Member 2019-2021

Phi Kappa Phi
Faculty Member 2012 - present

AWARDS / HONORS Teaching

Association of Collegiate Schools of Architecture Collaborative Practice Award 2020 / 2021

Recognizes “Best Practice” examples of highly effective teaching, scholarship, and outreach in the areas of collaborative practice. Project: Didactic Garden. P.I. w/ Cory Gallo Assoc. Awarded our teaching team including Prof. of Landscape Arch. Peter Summerland and Prof. Graphic Design S. Powney. February 2021

American Society of Landscape Architects, Award of Excellence in Student Collaboration, 2020

Nationally the only Award of Excellence granted in 2020 and only the fourth Excellence level award for a Mississippi based project. “Recognizes collaborative work by landscape architecture students with students from allied and/or complementary disciplines.” Project: “The Living Room” at Galloway Elementary School. Awarded our teaching team including Prof. of Landscape Arch. C. Gallo, Prof. Graphic Design S. Powney and myself.

American Society of Landscape Architects, Award of Excellence in Student Collaboration, 2019

Nationally the only Award of Excellence granted in 2019 and only the third Excellence level award for a Mississippi based project. “Recognizes collaborative work by landscape architecture students with students from allied and/or complementary disciplines.” Project: “Cultivating the Future” MSU Didactic Learning Garden. Awarded to Professors of L. Architecture C. Gallo + P. Summerlin, Prof. Graphic Design S. Powney and myself.

Mississippi State Univ. Community Engagement Awards, Honorable Mention 2019

University Level Faculty Research/Teaching/Service Award Program, Fall 2019

Association of Collegiate Schools of Architecture / American Institute Architects Practice and Leadership Award 2016 / 2017

Recognizes “Best Practice” examples of highly effective teaching, scholarship, and outreach in the areas of professional practice and leadership.” Project: Integrated Practice Theater, a symposium on IPD best teaching practices. P.I. w/ Michele Herrmann, Assistant Professor of Construction Science and Emily McGlohn, Assistant Professor of Architecture. Detroit, MI. March 2017

American Society of Landscape Architects, Student Merit Award, 2016

Recognizes exceptional scholarship as a graduate student of landscape architecture. Nominated by the faculty of the MSU Department of Landscape Architecture and awarded by the ASLA, MS Chapter.

Association of Collegiate Schools of Architecture 2015 Collaborative Practice Award

Project: Oktibbeha County Heritage Museum, Green Building-Technology Demonstration Pavilion. P.I. w/ Assist. Prof. of Landscape Arch. Cory Gallo. Research

assistants: Extension Associate, Mr. Brian Templeton and Clinical Prof. of Arch. Justin Taylor. Toronto, Canada. March 2015

Association of Collegiate Schools of Architecture 2015 Design / Build Award, Honorable Mention

Project: Mississippi Band of Choctaw Indians Rural Transit Bus Shelters I served as the project P.I. with assistance from Assistant Prof. of Arch. Emily McGlohn, Alexis Gregory, and Assistant Professor of Building Construction Science, Tom Leathem. Toronto, Canada. March 2015

Allen & Hoshall MSU School of Architecture Faculty Award 2014

The architectural firm of Allen & Hoshall of Jackson, Mississippi, has established a \$500 annual award to a faculty member "who has demonstrated excellence in teaching." The award winners are selected by the fifth-year graduating class. Spring 2014

American Society of Landscape Architects, Award of Excellence in Student Collaboration, 2013

Nationally the only Award of Excellence granted in 2013 and only the second Excellence level award for a Mississippi based project. "Recognizes collaborative work by landscape architecture students with students from allied and/or complementary disciplines."

Project: Oktibbeha County Heritage Museum, SuperUse Pavilion. Awarded to Prof. of L. Arch Cory Gallo, Myself, and Brian Templeton.

Hugh Critz Faculty Leadership Program 2013 - 2014, Mississippi State University

Competitive faculty development award granted to one faculty member of each university unit. Sponsored by the MSU Office of Research and Economic Development and Office of the Provost Executive Vice President. Fall 2013-Spring 2011

Association of Collegiate Schools of Architecture 2010-2011 Collaborative Practice Award, Honorable Mention

Project: Mississippi Band of Choctaw Indians Rural Transit Bus Shelters Awarded by the Association of Collegiate Schools of Architecture at the Annual Meeting. Montreal, Quebec, Canada. March 2-6, 2011

Mississippi *StatePride* Award for Faculty Excellence 2010 & 2011

University Level Faculty Research/Teaching/Service Award, fall 2010 and Fall 2011

Awarded the 2010 Diversity Award, Team Recipient Category, by the President's Commission on the State of Minorities. Mississippi State University

Awarded for serving as the P.I. on a funded research project and design/build studio with the Mississippi Band of Choctaw Indians and the MSU, S|ARC, Carl Small Town Center, Spring 2010

Named to the Faculty of the Shackouls Honors College, Mississippi State University

College of Architecture, Art + Design, Spring 2010

Student and Teacher Recognition Program, Mississippi State University, College of Architecture, Art and Design teacher recipient for 2008-2009

Selected by students, Awarded by the Student Association Academic Affairs Committee, April 2009

AWARDS / HONORS

Professional Research and Design

American Institute of Architects, Mississippi Chapter, Design Honor Award 2020

Mirror Perch Bridge at the Crosby Arboretum. Project P.I. October 2020

American Institute of Architects, Mississippi Chapter, Spirit of Place Membership Award 2020

Awarded by the entire AIA MS membership, only one project is recognized with this award per year. Mirror Perch Bridge at the Crosby Arboretum. Project P.I. October 2020

American Society of Landscape Architects, Design Merit Award, 2020

“Cultivating the Future, a didactic learning garden for MSU” Recognizes exceptional design in landscape architecture. Awarded our teaching team including Prof. of Landscape Arch. C. Gallo, Prof. Graphic Design S. Powney and myself.

American Institute of Architects, Mississippi Chapter, Design Merit Award 2019

Mississippi State University, Department of Landscape Architecture Didactic Garden Design/Build Studio Project. Project began in Fall 2015 (2 Potager Labs) with phase II completed Fall 2018 (Floating steel stair, pergola, lighting and foot bridge). Joint award with Landscape Arch. Profs. Cory Gallo + Peter Summerland, Prof. of Graphic Design Suzanne Powney (Oct. 2019)

United States Green Building Council, Mississippi Chapter, Honor Award 2019

Mississippi State University, Didactic Garden Design/Build Studio Project. Joint award with Landscape Arch. Profs. C. Gallo + P. Summerland, Prof. of Graphic Design S. Powney (Oct. 2019)

2017 University Olmsted Scholar, Landscape Architecture Foundation
Named as representative from Mississippi State University, Department of Landscape Architecture

American Institute of Architects, Mississippi Chapter, Design Merit Award 2016

Mississippi State University, Golf Course Storm Shelters Design/Build Studio Project. Joint award with Prof. Emily McGlohn, Prof. Tom Leathem, Instructor Lee Carson (Oct. 2016)

American Institute of Architects, Mississippi Chapter, Design Honor Award 2015

SuperUse Pavilion, Oktibbeha County Heritage Museum, Joint award with Prof. Cory Gallo and Extension Associate, Mr. Brian Templeton (Oct. 2015)

United States Environmental Protection Agency

Region 4, 2015 Green Infrastructure Project Excellence Award

Granted for "Neighborhood/Community Level" excellence in design as demonstrated in the Oktibbeha County Heritage Museum, Rain Garden Program. Joint award with Prof. Cory Gallo & Ext. Associate, Mr. Brian Templeton (June 2015)

American Society of Landscape Architects, MS Chapter Honor Award 2014

Award granted for Excellence in the Study of Landscape Architecture (Graduate Level)

Faculty Research Award 2014 MSU College of Architecture, Art + Design

Annual award to a single college faculty member "who has demonstrated excellence in research." The award winners are selected by the College of Architecture Art + Design Administration. 2014

American Society of Landscape Architects, MS Chapter Merit Award 2013

Oktibbeha County Heritage Museum, SuperUse Pavilion. Joint award with Prof. Cory Gallo

Harlan E. McClure Award for Outstanding Architectural Design as Demonstrated in a Graduate Thesis Project

Project selected by the faculty of Clemson University as Best Graduate Thesis Presentation. May 2003

St. Petersburg Prize for Excellence in Architectural Design at the Graduate Level

Open school sponsored design competition, Clemson University, Awarded December 2002

BOOK PUBLICATIONS

Chapters + Works Contributed

Design-Build: Integrating Craft, Service and Research through Applied Academic and Practice Models. Chapter featuring numerous works created by our interdisciplinary design and construct team including Professor Cory Gallo, Suzanne Powney and myself. p. TBD just published awaiting copy. *Author Daniel Winterbottom, ISBN: 9781138932296*

By The People: Designing a Better American, Cooper Hewitt Smithsonian Design Museum

Exhibition of the SuperUse Pavilion at the Oktibbeha County Heritage Museum, Starkville, MS, p.106-109. Author Cynthia Smith, ISBN 978-1-942303-14-5

Design/Build Studio:

Chapter Co-Authored by Prof. David Perkes, chronicles the design/build efforts of our MSU studios Forward by Kenneth Frampton, Editor Dr. William Carpenter, FAIA. Organized by Lightroom Studio P. 107-113 ISBN-13: 978-0557864188 ISBN-10: 0557864186

Ike Kligerman Barkley Houses

Monograph of the firms work including numerous projects designed by me and/or constructed under my direct supervision. Featured work includes the "Compound in the Dunes". Forward by Robert A.M. Stern, Published by The Monacelli Press April 2010. ISBN 158093269X

ACSA Architectural Education Awards 2017 Booklet

"Integrated Project Delivery Theater"

Association of Collegiate Schools of Architecture + American Institute of Architects. Award in the Practice + Leadership Category, ACSA Press, Washington DC. Spring 2017

ACSA Architectural Education Awards 2014/15 Booklet

"SuperUse at Oktibbeha County Heritage Museum"

Association of Collegiate Schools of Architecture + American Institute of Architects. Award, Collaborative Practice Award, ACSA Press, Washington DC. Project PI and presented by Hans C. Herrmann, co-authored with Prof. Cory Gallo and Suzanne Powney

ACSA Architectural Education Awards 2014/15 Booklet

"Mississippi Band of Choctaw Indians Rural Transit Bus Shelters"

Association of Collegiate Schools of Architecture + American Institute of Architects. Award, Design/Build Category, ACSA Press, Washington DC. Project PI and presented by Hans C. Herrmann, co-authored with Prof. Emily McGlohn, Tom Leathem, Alexis Gregory and Lee Carson.

ACSA Architectural Education Awards 2010/11, Booklet

“Mississippi Band of Choctaw Indians Rural Transit Bus Shelters”

Association of Collegiate Schools of Architecture + American Institute of Architects.

Award in the Design/Build Category, ACSA Press, Washington DC. Single Author: Hans C. Herrmann

In Spite of Pragmatics: The Pursuit of Both/And for Integrated Architectural Solutions

Building Technology Educator’s Society Conference 2019.

Host: University of Mass, Amherst, Amherst, MA., June 2019. Hans Herrmann (first author), Second author Assistant Prof. Jacob Gines

Just a Little Nudge: How ideas, elbow grease, and an old gas station canopy turned an eyesore into an amenity

AIA / Association of Collegiate Schools of Architecture Convention and Symposium 2019.

Host: University of Las Vegas Nevada, Las Vegas, NV., May 2019. Co-author Prof. of Landscape Architecture Cory W. Gallo

Teaching Integrated Practice: An Integrated Project Delivery Theater

Association of Collegiate Schools of Architecture Annual Meeting / Conference 2016.

Host: University of Washington, Seattle WA., March 2016. (Emily McGlohn (first author), Second author Hans Herrmann and Michele Herrmann, Esq.)

Pre-University Preparation Advantages Building Technology Educators’ Society 2015 Intersections & Adjacencies Conference.

Host: University of Utah and Mississippi State University, June 2015. (First Author w/ Emily McGlohn & Michele Herrmann Esq.)

Teaching Collaborative Skills: The results of an Interactive Symposium Construction Research Congress 2016 Annual International Conference. May 2016 in San Juan, Puerto Rico.

Host: Univ. of Puerto Rico, Mayagüez. (Second Author w/ Michele Herrmann Esq. & Emily McGlohn)

Educating Integrated Project Delivery Educators: A study of IPD Knowledge Among Educators

Associated Schools of Construction 51st Annual International Conference held in conjunction with the CIB Workgroup 89 – April 2015 in College Station, TX

Host: Texas A&M University. (Second Author w/ Michele Herrmann Esq. & Emily McGlohn)

A Case Study on Pedagogy for a Cross-Disciplinary Architecture / Construction Program

Associated Schools of Construction 51st Annual International Conference held in conjunction with the CIB Workgroup 89 – April 2015 in College Station, TX
Host: by Texas A&M University. (Co-Authored w/ Tom Leathem, Emily McGlohn, Alexis Gregory, Lee Carson)

The Issue of Scale

Association of Collegiate Schools of Architecture Fall Conference. Halifax, Nova Scotia.
Host School: Dalhousie University, October 2014. (Single Author)

Cross Disciplinary Design/Build: The Design of Collaborative Education

Association of Collegiate Schools of Architecture Fall Conference.
Host: Dalhousie University: Halifax, Nova Scotia October 2014 (1st author Emily McGlohn, 2nd Hans Herrmann, 3rd Tom Leathem, 4th Alexis Gregory)

Opportunism in Beginning Design 28th National Conference on the Beginning Design Student 2012

Host: Pennsylvania State Univ., State College, PA. April 2012 (Single Author)

Cultivating Architecture: Tradition in Contemporary Design 28th National Conference on the Beginning Design Student

Host: Penn State Univ., State College, PA. 2012 (Single Author)

Holism in Foundation Design: Avoiding the *Silo Effect* Association of Collegiate Schools of Architecture Fall Conference.

Host: University of Houston, Houston, TX. October 2011. (Single Author)

Accretive Architecture: SuperUse + Beyond

99th Association of Collegiate Schools of Architecture Annual Meeting. Host: McGill Univ. Montreal, Canada. March 2011 (Single Author)

"Hit Print": Virtual Trace-Paper in Beginning Design

26th National Conference on the Beginning Design Student.
Host: UNC Charlotte, North Carolina. March 2010 (Single Author)

Multiple Meanings, Multiple Minds

International Conference of Education, Research and Innovation Madrid, Spain.
November 2009 (Single Author)

Accretion as Means of Adaptation

Association of Collegiate Schools of Architecture, Southeast Regional Conference. 1 of 14 papers nominated for presentation at the 2010 ACSA National Meeting in New Orleans.

Host: Savannah College of Art and Design Savannah, Georgia. October 2009 (Single Author)

Architectural Education on the “*Low Road*”

International Conference on Education and New Learning Technologies. Barcelona, Spain. July 2009 (Single Author)

CONFERENCE PRESENTATIONS

Selected touring exhibition piece September - December 2017

By The People: Designing a Better American

Miami Dade College Museum
Miami, FL April - September 2018

By The People: Designing a Better American

U.S. Centers for Disease Control David J. Spencer Museum
Atlanta, GA October 2018 - April 2019

American Institute of Architects Emerging Professionals Annual Exhibition 2012

Center for Emerging Professionals selected "*Catskill Retreat*", a private home renovation, as part of a 35 project exhibition in the American Center for Architecture, in Washington, DC. Spring 2012

"Flesh & Space" An exhibit of the International Merleau-Ponty Circle

Host: Mississippi State University in the College of Architecture Art + Design Gallery. Oct. 2009

"Art by Architects", Mississippi Center for the Arts, Jackson Mississippi

Host: American Institute of Architects, Mississippi. March 7, 2009 - April 2009

Beyond Media, "SCRIPT" 2005, Florence 2005

International festival of architecture + media. Public exhibition of graduate thesis research. Stazione Leopolda, Florence, IT, Organized by iMage. Edited by Paola Giaconia, Published by Mandragora Press, Italy 2005

Archiprix International, Glasgow 2005

World's Best Graduation Projects Representative for Clemson University inclusion of work in touring exhibition. Published by O10 Publishers, NE 2005

"Intimacy: Spot on Schools", Beyond Media, Florence, Italy 2003

International festival of architecture and alternative media organized by iMage. Stazione Leopolda, Florence Graduate Thesis work presented by Thesis Chair Prof. Douglas Hecker

INVITED LECTURES

Nihon University Dept. of Architecture + Conceptual Design, Tokyo, Japan. Title: Opportunist[Eth]ic, Reuse to SuperUse

Lecture given to students of the Departments of Architecture and Conceptual Design on my research and teaching. May 2019

Nihon University Dept. of Architecture + Conceptual Design, Tokyo, Japan. Title: Reuse and SuperUse in Architectural Foundations Level Design Education

Lecture given to the faculty and administration of the Departments of Architecture and Conceptual Design on my research and teaching. May 2019

Universidad del Istmo (UNIS), Guatemala. Title: The *SuperUse* Pavilion

A lecture given as part of the MSU Resiliency & Sustainability Webinar Series for the Facultad de Arquitectura Diseno, Oct. 2016

2016 American Society of Landscape Architects Twin States Conference.

Title: "Rooted in Design"

A lecture given as part of the CEU featuring the Oktibbeha County Heritage Museum SuperUse Pavilion. Co-presented with Prof. Cory Gallo, April 9th, 2016

Clemson University, Celebrating 100 Years Lecture Series. Title:

Opportunist[Eth]ic

Opening Lecture of Spring 2013 Clemson University, School of Architecture Lecture Series. One of five invited lecturers celebrating 100 years of Architecture at Clemson. The series was titled: Southern Roots + Global Reach. February 2013

FUNDED RESEARCH

**P.I. UnBuilt Crosby Arboretum Exhibition, Architects Foundation
Octagon Museum**

Grant awarded in the sum of \$6,000.00 to generate and exhibit my study and exhibition of unpublished schematic designs for by E. Fay Jones for the Crosby Arboretum. Fall 2019

P.I. UnBuilt Crosby Arboretum Exhibition, Criss Trust Grant

Criss Family Grant awarded in the sum of \$2,000.00 to generate a study and book manuscript of the UnBuilt Crosby Arboretum Exhibition for large scale distribution. Fall 2019

P.I. UnBuilt Crosby Arboretum Exhibition, Criss Trust Grant

Criss Family Grant awarded in the sum of \$4,000.00 to generate a study and exhibition of unpublished schematic designs for by E. Fay Jones for the Crosby Arboretum. Fall 2017

**P.I. UnBuilt Crosby Arboretum Exhibition MSU Undergraduate Research
Grant**

Grant awarded in the sum of \$2,000.00 to generate a study and exhibition of unpublished schematic designs for by E. Fay Jones for the Crosby Arboretum. Fall 2017

Co-P.I. Architecture + Construction Alliance, 2013-2015 Research Grant

Grant awarded in the sum of \$9,898.00 to perform research and development of Teaching methods for "Integrated Project Delivery Theater: A Symposium Designed to Facilitate Learning from Experts." Proposal funding will be used to host a teaching symposium addressing collaborative teaching/learning between architecture and building construction programs Fall 2013

**Co-P. I. Collaborative Design Studios Curriculum Design, Research &
Development**

Grant awarded by the Hearin Foundation 2013-2016 in the sum of \$200,000.00 over 4 years to research and develop Integrated Design focused interdisciplinary Architecture and Building Construction Science teaching & learning methods. Research Chair Summer 2013 Summer Research and Development 2011, 2012 Fall and Spring Teaching Implementation 2011 - 2016

P. I. Mississippi Band of Choctaw Indians, Rural Transit System Study

Contracted through the Carl Small Town Center, Mississippi State University executed a \$25,000.00 MS Dept. of Transportation funded grant for the Mississippi Band of Choctaw Indians to study and provide recommendations for improving and planning their public transit system. Summer 2009 study – Fall 2009 coordinated a 4th year Design/Build Studio

**P. I. Office of Research & Economic Development, Mississippi State
University**

Grant awarded in the sum of \$2,000.00 for research and development of a Prototype Bus Shelter Unit for the Mississippi Band of Choctaw Indians. Fall 2009

Schillig Special Teaching Project - 2011, Mississippi State University

Grant awarded in the sum of \$1,795.00 to obtain LEED Green Associate status to be applied in the development of Green Building and Energy Analysis Education Modules. Fall 2011

Funded Design Studies

Co-P.I. Galloway Elementary School Outdoor Learning Environment The “Living Room” project

This project is one of five components of a \$1,000,000,000 Bloomberg Public Art Challenge Award granted to the Fertile Ground organization, Jackson MS. The Galloway Elementary School Outdoor Learning Environment was developed by myself and Prof. Cory Gallo of the Dept. of Landscape Architecture with funding totally (\$50,000.00) Fall 2019 - Spring 2020

P.I. Prototype Steep Slope Sleeping Shelter, Hood Boy Scout Reservation

Funded (\$17,500) Personal role: Lead client contact and studio Coordinator. Organization and teaching of 2nd year architecture students in a Collaborative Studio. The studio designed and constructed a full-scale low-cost sleeping shelter prototype. Hazelhurst, MS. Fall 2016

P.I. MSU Department of Landscape Architecture Didactic Garden

- Phase 1 Funding (\$10,500) Personal role: Lead client contact and studio Co-Coordinator. Organization and teaching of 2nd year architecture students in a Collaborative Architecture and Building Construction Science Studio. The studio designed and constructed 2 labs, Starkville, MS. Fall 2015
- Phase 2 Funding (\$10,000) Personal role: Course Co-Coordinator w/ Prof. Cory Gallo. Organization and teaching of architecture students in a Collaborative Architecture and Landscape Architecture course. The students designed and constructed a steel bridge and floating staircase, Starkville, MS. Fall 2018

P.I. Golf Course Storm Shelters, Mississippi State University

Funded (\$50,000) Personal role: Lead client contact and studio co-coordinator. Organization and teaching of 2nd year architecture students in a Collaborative Architecture & Building Const. Science Studio. The studio designed and constructed two full-scale Storm Shelters with restrooms, Starkville, MS. Fall 2014

Co-P.I. Mississippi Maritime Museum, Pascagoula MS

Funded (\$13,000) Personal role: Lead client contact and studio coordinator. Organization and teaching of 4th year architecture students in a capstone project. The project includes the adaptive

reuse of an existing building and the design of a new structure that will showcase the USS Cole, Naval Destroyer. Dec 2014

P. I. Mississippi Band of Choctaw Indians, Rural Transit Bus Shelters

Funded (\$10,000)

Personal role: Lead client contact and studio coordinator. Organization and teaching of 2nd year architecture students in a collaborative Architecture and Building Construction Science Studio. The studio designed and constructed two full-scale bus shelters now in use in the MBCI communities of Tucker, MS and Pearl River, MS. Fall 2013

Co-P.I. Oktibbeha County Heritage Museum, Green Building-Technology Demonstration Pavilion

Funded/Provided In-kind (\$50,000) to teach an interdisciplinary Design/Build course and construct a new event and exhibition space for the museum. co-taught with Prof. Cory Gallo and Ext. Assoc. Brian Templeton, Maymester 2012

Co-P.I. The Howlin' Wolf Museum, West Point Mississippi

Funded (\$7,000) by STION thin-film solar panel company to teach a solar-issues focused 4th year Design Studio co-taught with Associate Prof. Jane Greenwood, Spring 2013

Co-P.I. Crosby Arboretum Gum Pond Exhibit Design, Picayune Mississippi

Funded (\$10,500) to design and build 9 footbridges and 1 large interpretive learning structure. co-taught with Associate Prof. of Landscape Architecture Robert Brzuszek, Spring/Fall 2013

Adkerson Guest House, Mississippi State University Campus

Funded (\$10,000) 4th year Design Studio co-taught with Visiting Eminent Prof. Lawrence Scarpa, Spring 2011

P.I. Golf Course RetroFits / Misfits / Counterfits, Mississippi State University

Funded (\$6,000) Design/Build elective courses focused on Metal Building Systems in partnership with Gulf States Metal Buildings & Todd Walker of Archimani, Memphis TN. Spring 2011, Fall 2012

Landscape Visioning Plan, Toyota Motor Manufacturing Mississippi
