Dear Ming Ying,

Congratulations on having been selected as one of our three exhibiting artists at the McMaster Gallery for the 2019-2020 Academic Year!

We received over 100 submissions in response to our call for entries, and the work was of very high quality, making the decision very difficult. I am delighted to say that your proposal definitely stood out and we are excited to be working with you next year!

We have the following tentative exhibition times:

1. Aug. 29-Oct. 3
2. Oct. 17-Nov. 21
3. Jan.16-Feb. 20

The final exhibition time might vary slightly. Please, let me know as soon as possible if any of these periods do not work for you.

Our standard honorarium is \$300. We are going to apply for additional funding for each exhibiting/visiting artist. However, the availability of these funds is not guaranteed.

I'm looking forward to working with you!

Warmest regards,

Olga Yukhno

McMaster Gallery Director

Olga,

Thank you for the wonderful news! If possible, may I please have the October 17th time slot? If not, the August one will work as well. I would also be happy to provide an artist talk and critiques.

Also, at your earliest convenience, may I please have the dimensions to the gallery. Looking forward to working with you.

Best,
Ming
